

Revised 4/18/16

# HONORS COURSES AUTUMN 2016

Davidson Honors College students can register for most Honors courses using Cyberbear. Honors students do not need an override for most Honors courses. To register for an Honors course, just wait until you are eligible to register for autumn semester classes, and then add it on CyberBear.

Honors students will have priority registration in Honors courses during the first two weeks of registration. Starting April 25, all UM students can register for Honors courses by requesting permission to enroll at the DHC front desk.

There are a few departmental Honors courses that require an override – these courses are marked “consent of instructor required,” and you should contact the instructor to obtain permission to enroll.

### **INTRODUCTION TO HONORS (HONR 120) (1 cr.)**

All freshmen DHC students are required to take one of the following Introduction to Honors classes. Enrollment is restricted to DHC students. Offered fall semester only.
