

# Kermit and Kathleen **SCHWANKE** HONORS INSTITUTE

**Preparing for College and Beyond**  
Summer Semester - June 10-22, 2018  
Davidson Honors College - University of Montana

Join other intellectually curious high school students on campus at the University of Montana's Davidson Honors College and engage in a college experience by living on campus in the honors dorm, eating in the FoodZoo dining hall, exploring Missoula, Montana and Glacier National Park while also earning college credit through one of three courses taught by award-winning honors faculty.

During your two weeks at the University of Montana, you attend class in the morning and participate in college readiness workshops or out-of-class engagement activities in the afternoon. In the evenings, you eat in the dining hall, finish homework in your dorm room, and attend social activities. The weekend will include an excursion to Glacier National Park.

Here are a few of the experiences you will have this summer in the Schwanke Honors Institute coordinated by the Davidson Honors College:

- A choice of three different, 3-credit courses designed to give pre-college students a preview of college academics taught by University of Montana faculty.
  - Creative Writing and the Environment
  - Sustainability: What's Your Footprint
  - National Parks and American Wilderness
- On-campus housing with fellow pre-college students and residential staff, who are students of the Davidson Honors College.
- Structured days, with weekday class meetings, pre-college activities such as college essay writing and study skills, as well as exploration of the many outdoor spaces Missoula and Montana have to offer in connection with the specific course you choose.
- Estimated cost of 2-week program is \$1500 (includes tuition, lodging, meals and activities).
