- Each course must have at least 15 members enrolled

- Class will be cancelled 1 week prior to first class session if minimum enrollment has not reached 15.
  - Students enrolled will be notified and encouraged to register for another class instead.
- Members may enroll in courses as far into the term as they wish
  - If a class is in danger of being cancelled, instructor will be informed 2 weeks out in order to encourage enrollment
Faculty will be sent an email with a link they can use to access their class roster. Any changes in class enrollment will be immediately available through the emailed link.

Please keep class lists confidential as they do contain member emails. If a student gives you an email address, please forward it to the MOLLI office.

Please note that not all MOLLI members have or use email on a regular basis. If you distribute information to the class via email, please copy the MOLLI office so we can get that information to anyone not using email. (molli@umontana.edu)

Please use the BCC option when emailing more than 1 member

Please restrict use of email list to class related announcements
Some classes will fill and have waiting lists. Please do NOT tell members that they can join the class or just show up. If a member asks you about joining the class, please refer them to the MOLLI office.

Attendance is not required and some members will miss a class or two. Empty seats does not mean there is space available.

Faculty are not required to take attendance, however, MOLLI volunteers will do so during the second week of classes to ensure everyone in class has registered.
CLASS FACILITATORS

- A volunteer facilitator will be assigned to each class.
