Volunteers needed for:
Name of Event/Project  Community Outreach

Event/Project Time Period:
To: Ongoing

Short Description of Event/Project
The Mansfield Center is looking for volunteers to do community outreach to spread the word about our events and the opportunities we offer, including involvement in international exchange programs.

Volunteer Duties
This is a flexible position that allows for significant creativity in brainstorming and executing how to reach segments of Missoula and Montana's populations and communicate about and engage them in Mansfield Center programs, from attending public lectures and helping spread the word, to involving people in homestay programs for international State Department visitors, and general information about the Mansfield Center and what we do. Volunteers who take initiative and are excited about contributing their ideas for outreach to help foster globally minded leaders are welcome!

How to volunteer:
Please provide the contact information for the person who will be in charge of scheduling and contacting volunteers and/or an electronic signup link.
